

Certificate of Limited Warranty

PRO-Alert™ Electronic Refrigerant Leak Detector:

The precision quality instrument you have chosen is of the finest design and craftsmanship. As such, Spectronics Corporation warrants that when delivered it will be free from defects in manufacture.

Spectronics Corporation's obligation under this warranty is limited to repairing or replacing, at the option of Spectronics Corporation, any part(s) of the product which if properly installed, used and maintained, proves upon factory examination to have been defective in materials or workmanship within two (2) years from the date of delivery to the customer.

This warranty does not apply to any component that deteriorates under normal use or has a normal life inherently shorter than the warranty stated. For example, power cells, sensors and filters are warranted for 30 days. In addition, Spectronics Corporation does not warrant any instrument that has been subjected to misuse, negligence or accident, or has been repaired or altered by anyone other than Spectronics Corporation.

This warranty is in place of all other warranties of quality. There are no other warranties either oral, written, express, implied or statutory. **IMPLIED WARRANTIES OF FITNESS FOR PURPOSE AND MERCHANTABILITY ARE EXCLUDED.** This warranty and your remedies thereunder are solely as stated here. In no event shall Spectronics Corporation be liable for special, indirect, incidental or consequential damages, nor for any damages arising out of delay in shipment or production.

Retain this certificate for your records and note on it the date of delivery.
